Our selection of varieties $35.00 per 1,000.

CROTONS.

In four best varieties. $8.00 per 100.

CANNAS.

Ehemanni—The most distinct of all Cannas on account of its large oval soft green leaves and carmine red flowers, which are produced on long flower stems, each stem producing from 12 to 15 large drooping flowers, as large as a Gladiolus. $10.00 per 100.

Nouttoni—Is quite distinct from Ehemanni in coloring, being a rich shade of crimson scarlet. The flowers are very large, growing erect instead of drooping. The foliage is of a beautiful bluish green, growing very compact and remarkably free flowering, forming nearly solid masses of rich, warm coloring. $2.00 per doz.

Flaccida—This beautiful little native is one of the most effective of all Cannas for gardens. The flowers are three or four inches long, and are a delicate lemon yellow color, with a peculiar crimped or waved margin, giving a most pleasant effect. It blooms nearly a month earlier than the other Cannas. $2.00 per doz.

Cannas in 6 distinct varieties, strong roots, $5.00 per 100.

CHRYSANTHEMUM MAXIMUM.

CHRYSANTHEMUM MAXIMUM.

One of the finest hardy perennial plants in cultivation. It is free growing, about two feet high when in bloom, forming a bush that is literally covered with large pure white flowers, three inches in diameter. As a cut flower plant we know of nothing more valuable, the flower lasting fully a week in perfect condition after cutting. As a hardy plant for garden or cemetery decoration it will be found very useful, as it grows and flowers well in almost any soil and is perfectly hardy. $12.00 per 100.

COREOPSIS LANCEOLATA.

COREOPSIS LANCEOLATA.

A beautiful hardy border plant; grows fifteen to eighteen inches high, and produces its bright golden yellow flowers in great profusion the entire season. It makes a handsome vase flower when cut, and should be grown in quantity wherever flowers are wanted for table decoration. $8.00 per 100.

CHRYSANTHEMUMS.

T. H. SPAULDING'S SET FOR 1890.

Single plants $1.00 each. The collection of 12 varieties, $10.00.

This set will not be ready for distribution before March 1st.

Ada Spaulding—Winner of the silver cup presented by Mrs. President Harrison at the Indianapolis show. Has been exhibited 7½ inches in depth by 6½ in diameter; habit most sturdy and robust; color novel and distinct, lower part of flower deep pink, upper portion pearl white; petals very large, broad and solid; of good sturdy habit, flowering early.

Addie Decker—A new and dazzling shade—mandarin yellow enlivened with salmon and flame color. A showy variety and the best of recent seedlings for specimens.

Marie Ward—A grand and beautiful cup-shaped variety; very double, of large size, and color purest snow white; petals very long and somewhat narrow. A fine exhibition variety.

Garnet — Showy Japanese variety. Inner side of petals a rich wine red; reverse silvery pink on first opening. Petals have a peculiar manner of twisting or curling, showing the reverse color.

G. P. Rawson—A superb double variety; very large; of an entirely new shade, rich buff with distinct center; petals of bright nankeen and apricot yellow.

Mrs. Thos. A. Edison—A large incurved flower, with compact center. One mass of long petals of the most delicate rose pink. Very free; large, and so closely incurved as to resemble a solid ball. Certificate of merit awarded by the New Jersey Floricultural Society.

James R. Pitcher — A large reflex flower of the Japanese type. Very full and of great depth; color light delicate blush, turning to pure white as the flower matures.

E. G. Hill — Immense bloom of brightest golden yellow; full and very double; lower petals sometimes deeply shaded bright carmine. Awarded certificate of merit at Indianapolis, and medal by the Pennsylvania Horticultural Society.

MRS. ALPHEUS HARDY.

Antoinette Martin—Immense size. Petals curling and intermingling irregularly, forming a compact mass of pink silvery sheen; lower petals lined with bright carmine.

Cyclone—An enormous Japanese variety; creamy white; center petals arranged in long whorls, forming a complete mountain-like effect. This has been grown to measure eleven inches in diameter.

Mrs. President Harrison—The largest and richest in color of all the Mrs. Wheeler type, on which it is an improvement, both in constitution, size, color, and habit.

Zenobia—Very large double Japanese variety, long, flat, spreading petals of purest white; grows to an immense size.

CHRYSANTHEMUMS.

Choice collection of recent introduction.

Belle Poitevine—(Early.) Large, spherical, snow white; the most regular and perfect incurved. A grand variety. $1.50 per doz.

E. Molyneux—Rich deep maroon red; outside of petals when expanded is a rich golden tint, petals immense in both width and length. $1.50 per doz.

George Pratt—Flowers very large with broad, flat petals; as the flowers become fully expanded the petals incurve, forming a large ball-shaped flower. Color violet, shading into crimson. $1.00 per doz.

G. F. Moseman—An extra large variety, of the perfect overlapping type, 8 to 9 inches in diameter; color deep chamois, each petal lined with terra cotta. A fine grower. $1.00 per doz.

Mrs. Alpheus Hardy—Probably no other variety of Chrysanthemum has ever attracted the same amount of attention and admiration at the various flower shows as the "Mrs. Alpheus Hardy." It has received the highest honors wherever exhibited. The flowers are very large, of thick substance, perfect shape and belong to the incurved Japanese section, while the color is of the purest white. $1.75 per doz.

Mrs. Levi P. Morton—Bright pink; the petals are wide and long, and radiate with the utmost regularity from the disc; the base of each petal is pure white. $2.00 per doz.

Mrs. A. C. Burpee—Chrome yellow; reflexed; full double flower. $5.00 per doz.

Mr. H. Cannell — Style of Grandiflorum, but richer and broader petals; incurving in the most lovely shape, color of richest possible yellow. $1.75 per doz.

Mad. Louise Langlois—Flowers large; color rosy violet, shaded nankeen; very distinct and fine. $1.00 per doz.

Condor—Flower very large, with broad, flat petals of the purest white; very fine. $1.00 per doz.

Louis Langlois—Petals half tubular, color crimson and old gold. $1.00 per doz.

Sabine—A beautiful anemone-flowered variety, outside petals broad and ribbon-like of a delicate creamy white color, center rich canary. $1.00 doz.

The Bride—A magnificent pure white sort, flowers large and perfect in shape; long, slender, tubular petals. A strong grower and an excellent variety in every respect. $1.50 per doz.

Sunnyside—Of delicate flesh tint when opening, becoming white when fully expanded. $1.50 per doz.

Mrs. Andrew Carnegie—Bright deep crimson, reverse of petals a shade lighter; of robust habit, and a prize winner wherever exhibited. $2.00 doz.

Lillian B. Bird—Flower of the very largest size, with full, high center; petals tubular, and of varying lengths; the flower when fully open being an immense half globe; the color is an exquisite shade of shrimp pink. $1.50 per doz.

Wm. H. Lincoln—A magnificent golden yellow variety, with straight, flat, spreading petals. An extra large flower, completely double. $1.75 per doz.

CHRYSANTHEMUMS.

In 75 standard varieties selected from finest collections. $4.00 per 100.

POMPON OR BOUQUET.

Flowers small, of the most perfect shape; very useful for cut flowers.

Dr. Webb—Rich scarlet, small.

Gem—Crimson, with purple shading.

Guiding Star (White Aster.)—Flower pure white, of the most perfect shape; the edge of the petals are beautifully fringed. The plant is dwarf and bushy, and very free flowering. One of the best for cut flowers. $1.50 per doz.

Jewel of Austerlitz—Scarlet.

Lurline—Canary yellow.

Little Agnes—Light pink.

Little Fire Ball—Bright Scarlet.

Little Lucy—Light crimson.

Ladies' Jewel—White, with crimson tip.

Seraph—Buff yellow, tipped orange red.

Snowflake—Pure white.

Sappho—Rich maroon, sometimes tipped white, fine shape.

Titania—Yellow, with bronze tip.

DAHLIA SINGLE.

This section of the Dahlia family has become exceedingly fashionable, owing to the value attached to the cut blooms, their airy, butterfly-like forms giving their flowers a grace never attained by the finest double sorts. The flowers range from three to five inches in diameter.

Bridal Wreath—Creamy white, changing to pure white.

Corsage—Bright scarlet.

Dutchess of Westminster—White.

Harold—Dark velvety maroon, nearly black.

Paragon—Dark, rich velvety maroon, with a rainbow shade of purple around the edge of each petal; bright yellow center.

Rob Roy—Bright scarlet.

Rupert—Crimson scarlet. Early and exceedingly free flowering.

Sandusky—Orange, large size, very distinct.

Vicarage—Bright vermilion.

White Queen—Flowers very large, of the purest white; very free flowering.

Yellow Gem — Flowers clear pale yellow; free bloomer.

CACTUS DAHLIAS.

This beautiful class is the most showy and effective of the Dahlia family. The flowers are entirely distinct from the other classes resembling some of the varieties of cactus. Hence the name. Especially fine for cut-flower and decorative work. See cut.

Constance—One of the most useful of Dahlias. Its pure white, elegant shaped flowers render it valuable for wreaths, crosses, church decoration or any other use for which good sized flowers are wanted; it is a good grower and a very free bloomer, and should be in every collection of Dahlias.

Cochineal—Dazzling crimson scarlet. The flowers are produced in the greatest profusion, covering the plant from the ground to the tips.

Formossima Picta—Orange color, with scarlet stripes. The stripes are not constant, some of the flower being self-colored, but when it does come striped it is very effective.

CACTUS DAHLIAS.

Clare of the Garden—A grand variety of the loose flowered or flat petaled type; by far the most brilliant scarlet of any Dahlia we cultivate. Where a brilliant show of light scarlet is wanted in the fall, this is the finest bedding plant imaginable. Early flowering.

Juarezii—Rich crimson scarlet, very distinct, cactus-like flowers.

Lyndhurst—Deep rich scarlet shaded crimson, fine shaped flowers. Excellent for cutting.

Mrs. Hawkins—A very showy variety and entirely distinct from any other; flowers large, resembling immense rosettes. Color rich sulphur, shading off to the tips of the petals with light canary yellow. A beautiful variety and attracts more attention when in bloom than any other sort in the list. $2.00 per doz.

Except where priced, strong, whole roots $10.00 per 100. Our choice, $40.00 for 500.

FUNKIA SUBCORDATA.

(WHITE DAY LILY.)

$12.00 per 100.

NEW GERANIUMS FOR 1890.

DOUBLE.

Albert Gaudry—Plant of dwarf compact habit, very free flowering; color beautiful light rose with distinct white eye.

Bouguereau — Soft rose, upper petals marked white; truss and flowers of large size.

Catulle Mendes — Flowers exceedingly large, borne on stout stems in immense trusses; deep dark rose with large white markings on the upper petals. A most beautiful and free flowering variety.

L. Contable—Flowers very large and freely produced; color deep bright rose, florets fine shape. An excellent bedding variety.

L'Abbe Bourgeois — Trusses very large, with large, well-formed florets; color deep scarlet toned with vermilion.

M. Moissan—Strong, sturdy growth; flowers and trusses very large; very free flowering, color deep orange red.

M. Berger—Deep purplish red with orange markings in center of flower.

SINGLE.

Brutus—Enormous trusses of very large flowers on long, stiff flower stalks raising them well above the foliage. Color deep crimson, scarlet shaded purple on lower petals.

Fournaise—Trusses of immense size, florets very large. Color of a beautiful crimson scarlet.

L'Immortel—Plant dwarf and bushy, free flowering, producing trusses of unusual size. Rose color, shaded lavender with darker markings. A novel variety.

La Vestal—In this variety we have a large flowered, pure white Geranium, that does not tinge or become pink in our hot sun when bedded out. Trusses very large of purest snow white. Exceedingly free flowering.

M. Eiffel—Rosy lake, upper petals marked orange; distinct.

Soleil Couchant—Plant dwarf and free flowering, large round flowers; color beautiful orange scarlet. The finest of this color.

20c. each. The set of 13 varieties for $2.25.

NEW GERANIUM.

Souvenir de Mirande—This is unquestionably the greatest novelty in Geraniums that has appeared in years, and is entirely distinct from any other variety known. It has nicely-formed, round florets, upper petals cream white with a distinct salmon rose border, lower petals salmon rose streaked with pure white. 30c. each.

NEW DOUBLE-FLOWERED IVY LEAF GERANIUMS.

Camille Flammarion — Large, full, cup-shaped flowers, deep rose color; very free flowering and plant of finest habit.

Flambeau—The most beautiful variety of its color; flowers of perfect form, garnet red, very large trusses on strong foot-stalks.

Le Prophete — Bright rose color, trusses and flowers very large, plant free flowering.

Raphael—Trusses very large, florets full and of the most perfect form; salmon rose, center brighter. A constant bloomer.

$2.00 per doz.

NEW DOUBLE GERANIUM.

LaFavorite — Unquestionably the best double white Geranium grown. The trusses are very large and of the purest snowy white even when grown in the open ground; remarkably free blooming. $1.50 per doz, $10.00 per 100.

ROSES.

NOVELTIES OF 1889.

NEW TEA ROSES.

Ernest Metz — A robust grower; flowers very large when open; buds long and pointed, produced on long stems. Color soft carmine rose, with deeper colored center. $20.00 per 100.

Mad. Pierre Guillot—Deep coppery orange in the centre, gradually changing lighter outwards. Edge of petals rosy carmine, reverse of petals yellowish white. Large and full. $3.00 per doz.

Mad. Hoste—This is one of the finest Tea Roses that we have had for years, and is equally fine as a bedding rose or for forcing for winter flowers. It is a strong grower, and buds can always be cut with long stems. In cool weather it is an ivory, in summer a bright canary with amber centre. Extra fine. $15.00 per 100.

C. Nabonnand—A very strong grower. Flowers large and nicely formed; color rosy carmine shaded with silvery yellow. $15.00 per 100.

Joseph Metral—Magenta red passing to cerise red, shaded with purple. Large and of fine form. $15.00 per 100.

Sapho—Buds fawn color suffused with rose, the opening flowers shaded with yellow and tawny buff; center deep bright yellow. Large, full and globular. $3.00 per doz.

Mad. Jules Cambon — Finely formed flowers of nice finish. Color flesh, reflex of petals magenta $15.00 per 100.

Baronne Henrietta de Loew—Flowers in clusters. Color silvery rose shaded with yellow at the centre. Reverse of petals bright rose, very fragrant. $15.00 per 100.

Chas. de Thezillot—A vigorous grower. Flowers large, finely formed, globular and imbricated. Color creamy yellow, centre shaded silvery chamois. $2.00 per dozen.

The Queen—A pure white sport from Souvenir d'um Ami. A vigorous and healthy grower and continuous bloomer, producing a great abundance of buds and flowers all through the season. $18.00 per 100.

HYBRID RUGOSA ROSE.

Mad. Georges Bruant—This novel variety is the result of crossing Rosa Rugosa and tea rose Sombreuil. Flowers in clusters semi-double; buds long and pointed, similar to Niphetos in shape; color pure white, remarkably free flowering, and is hardy where the thermometer does not go below zero. It forms a handsome bush for the lawn and yard as it retains the heavy thorny canes and glossy leathery leaves of the Rugosa class. $20.00 per 100.

NEW HYBRID TEA ROSES.

Duchess of Albany—This variety is a sport from La France, but is far superior to it in every way; deeper in color, more expanded in form and larger in size. The flowers are deep even pink, very large and full, highly perfumed and of first quality in every respect. The growth of the plant is vigorous, habit good, and the flowers are produced in extraordinary profusion, the plants being continually covered with handsome blooms. $15.00 per 100.

Souv. de Wootten—An extra free-flowering variety, that is being planted in large quantities by those in the cut flower trade for winter flowers. It produces an unusual quantity of beautiful rosy, crimson flowers, of fine shape and very double; highly scented. $18.00 per 100.

NEW POLYANTHA ROSES.

Blanche Rebatel—Plant vigorous but compact in growth, and in color is entirely distinct from all other Polyanthas. It blooms in large clusters, bearing from thirty to forty flowers on each shoot; color deep crimson flushed with rose. $15.00 per 100.
